**Re: Generic Workshop on Filing Requirements for Integrated Resource Plans
Docket Nos. 2019-224-E, 2019-225-E, 2019-226-E and 2019-227-E**

Dear Ms. Boyd:

I am writing on behalf of Lockhart Power Company ("LPC") regarding the Notice of Generic Workshop in the above-referenced dockets. The Commission has asked interested stakeholders to inform the Commission not later than January 22 of their intent to make presentations at the workshop.

For the reasons stated in my letter dated July 3, 2019 in Docket No. 2019-227-E, we do not believe it is necessary to hold a generic workshop in these dockets, and we respectfully submit that the workshop should be canceled. However, should the Commission determine to proceed with the generic workshop scheduled for January 30, 2020, LPC will attend the proceeding. While we do not intend to make a formal presentation, we will make a brief statement on LPC's behalf, and will provide additional comments as warranted during the course of the workshop.

Thank you for your consideration.

Sincerely,

Burr & Forman LLP
